

General Election Card

For use when a candidate asks for your vote.

About you:

I am one of the 18,000 people with Parkinson's in Ireland/I'm someone affected by Parkinson's.

Parkinson's is the fastest growing neurological condition. There is currently no cure.

In 2023 Parkinson's Ireland received less than 10% of its income from the government.

These issues are important to me.

Questions for candidates seeking your vote:

1

If elected, will you seek to increase funding for Parkinson's Ireland's services including nursing and physiotherapy?

2

Do you commit to having all Community Neurorehabilitation Teams staffed in all areas by the end of 2025?

3

Funding for additional Parkinson's nurse & Consultant Neurologist posts were announced in recent budgets. Most of these posts have yet to be filled. Where do you stand on this?

4

Parkinson's Ireland is seeking funding to set up a counselling service. If elected, will you work to ensure that this service is funded?
